

Prepare for your surgeon visit

- What is the implant made of?
- What implant is being used?
- Is it a DePuy Synthes implant?
- What should I bring with me the day of surgery?
- What is the expected outcome of the surgery?
- What is the postoperative care?
- What medicines will my dog have to take?
- What should I look out for after surgery?
- Are there purchases that should be made now to make the dog more comfortable after surgery?
- How many TPLO cases have you done?
